Dear Dr. Cundiff:

This is in response to your May 6, 1991 note regarding a letter you sent to John Schunhoff, AIDS Program Office, concerning your proposal for a Palliative Care Unit at the LAC+USC Medical Center. I reviewed a copy of John's response to you, dated May 20, 1991.

As I suggested in my February 25, 1991 letter to you on this subject (copy attached), and as John Schunhoff suggested in his response, you should discuss your proposal with the Medical and Executive Directors of LAC+USC Medical Center.

Thank you again for your interest in enhancing services to our patients.

Very truly yours,
