MEMORANDUM

To: David Cundiff, M.D. 

From: David A. Goldstein, M.D. 
Chief, General Internal Medicine

Date: February 2, 1993

RE: Time Card

Please refer to my previous memorandums, January 12 and January 14, 1993 (copies attached), regarding "E" and "OA" time. The January 12 memorandum states, "Any overtime requested must have my prior approval." The January 14 memorandum states, "...all "E" and "OA" time must have prior approval by me."

The time card of 1-31-92 had overtime hours which were not authorized by me. Please resubmit another time card as soon as possible.
