Dr. Dr. Cundiff:

Thank you for your memorandum of July 27, 1993 regarding your recent vacation. I did look into the matter and found that there was some confusion about your vacation approval.

Once Mr. Navarro reviewed the records and informed Dr. Goldstein that your time had been approved, the matter was closed. I have been informed that Dr. Goldstein's memo to Mr. Navarro about your vacation has not been placed in your personnel file. All of us regret any inconvenience this may have caused you.

Your memo of March 6, 1993 describes circumstances that I understand have been addressed through the grievance process.

Sincerely,

A handwritten signature in cursive script, which appears to read "Richard L. Tannen", is written over a horizontal line.
