MEMORANDUM

Date: January 10, 1994  
To: Sol Bernstein, MD  
Medical Director  
From: David Cundiff, MD *David Cundiff*  
Re: Physician sign-in and sign-out procedure

Enclosed is a new directive from Dr. Goldstein and my response to him. The other LAC+USC employed physicians in our section feel the same way that I do. I would appreciate it if you could use your influence to convince Dr. Goldstein to rescind this directive and avoid another time consuming formal grievance procedure.

cc: Patric Mayers, LLD
