MEMORANDUM

Date: February 3, 1994
To: Mr. Robert Gates
Director LAC-DHS
From: David Cundiff, MD
Re: LA County physician sign-in and sign-out procedure

Enclosed is a copy of a directive from my supervisor, Dr. David Goldstein, ordering County paid physicians, but not USC paid physicians, to sign-in and out daily. To date I have not received a written or verbal response to my objection to this discriminatory policy from Dr. Goldstein or Dr Bernstein. Therefore, I am asking that you review this matter.

Thank you.
